

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

In a democracy we cannot tolerate the control of our media by any group or person! Regardless of a person's political views, I would hope we would all be outraged at this usurping of our nations air waves.

I recommend that Sinclair's licenses be revoked or not renewed if they indeed follow through with a mandatory airing of this propaganda piece against our Democratic nominee for president.
